

Ship On Your Terms

For importers that want efficient freight forwarding, predictable costs, and real-time visibility on shipments

Get the Best Pricing

Shippabo's freight forwarding services offer competitive rates for shipping, including annual fixed contracts for qualified lanes. Gain cost control and avoid last minute charges.

Predictability You Can Rely On

The Shippabo platform allows your team to track your shipments every step of the way. Plan accordingly knowing our expert logistics professionals are efficiently moving your products to their final destination.

Our team and platform help businesses:

Increase Visibility

- Better inventory control is easy when you can access shipment details in just a few clicks
- Pre-book shipments weeks or months in advance
- Use SKU-level visibility to manage inventory
- Review U.S. Customs entries, releases, duties, and examples
- Track shipments by product ID, name, or purchase order
- Track shipment location in real-time

Stay Competitive

- Level the playing field with Shippabo's enterprise-level tools and curated network of carriers
- Work with our logistics experts to get the best price for your shipments
- Explore below-market contract rates
- Leverage upfront pricing to pre-plan your sales strategy

Centralize Collaboration

- Bring everyone in your supply chain onto the same page with one unified platform
- Use in-shipment messaging to connect quickly and easily
- Turn to shipment templates to keep processes consistent
- Organize and share documents across teams
- Rely on auto-notifications for shipment updates

Leverage Actionable Data

- Operate in real-time and make informed decisions to steer your future in the right direction
- Turn to your all-in-one dashboard and calendar for shipment statuses
- Create customized reports on the shipment views you need
- Inform future shipments with forecasting tools and trends
- Review SKU unit cost by SKU number, origin country, or factory

Don't wait for peak season to sneak up on you. Connect with our team today for a free assessment on how you can turn your supply chain into an operations powerhouse.
